California GRAPEVINE

2014 ESTATE PINOT NOIR

Anderson Valley

Medium ruby; attractive, forward, deep, black cherry and dark berry fruit aroma with hints of clove, mint, and cola; medium-full body; forward, textured, layered, herbal, red and black fruit flavors; medium to medium-full tannin; lingering aftertaste. Shows good depth and concentration as it developed with airing in the glass, and deserving a few more years of bottle aging. Very highly recommended.
